**PREVENTION, RETENTION, AND CONTINGENCY PLAN
AMENDMENT #01-20**

Jefferson County COVID-19 Disaster Response

Jefferson County's PRC Plan extends provisions for Disaster Relief services in the event Jefferson County suffers adverse circumstances as the result of a natural disaster as declared by the Governor of Ohio and/or representatives of the Federal government. Eligibility to the TANF assistance groups will be contingent upon the terms and conditions established for this program. The program is limited to 200% of Federal Poverty Level.

To be eligible for these PRC funds, employment must have been lost due to the COVID-19 emergency. Payments are limited to a maximum of \$500.00 per Assistance Group. Services under this program are limited to: Rental Assistance (including monthly rent and/or deposit); Mortgage Assistance; Utilities, and; Vehicle Expenses (loan payments and/or insurance). Verbal self-attestation and electronic signature are allowed for the PRC program for the duration of the COVID-19 emergency. This will no longer be allowed once the emergency has been lifted. Funds for this program are limited. This program will end when all allocated funds are expended.

Jefferson County agrees to implement the above amendment to the PRC County Plan as written effective April 9, 2020.
